Respected Brothers and Sisters,

Assalāmu Alaykum/ Greetings of Peace,

This letter is to confirm that I have reviewed, updated and approved the *Zakāh* policy of Muslim Welfare Canada (also known as Muslim Welfare Centre of Toronto).

I have accepted the role of being an independent consultant for Muslim Welfare Canada (MWC), on all religious matters regarding charity, its proper collection, use and distribution. All current and ongoing operations of Muslim Welfare Canada meet islamic requirements in accordance to the Qur'ān, *sunnah* (prophetic practices) and *fiqh* (jurisprudence).

Muslim Welfare Canada will continue to channel all donations of *lillah*, *khayrāt*, *ṣadaqah*, *zakāh*, *fiṭrah*, *fidya*, *kaffārah* and *qurbānī* to islamically entitled recipients and projects, under my guidance and instructions, to ensure adherence to islamic law.

Jazāk Allāh Khayran/ Thank you

Sincerely,
